Heraklion is the capital of Crete and one of the Mediterranean region's most fascinating and vibrant cities.

It is full of places to discover. With the current efforts to open up the wonderful mediaeval city centre,

it speaks to us of a past full of history and great events that reflect its location at the crossroads of three continents.

The city is also the commercial and technological centre of the island. It has a strategic geopolitical position

in the south-eastern Mediterranean Sea connecting three continents and many different cultures.

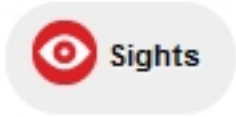

The Port

It offers a wealth of museums, a summer-long arts festival, historical sightseeing, amazing nightlife

and events throughout the year. Whatever the purpose of your visit, your stay in Heraklion will be one to remember.

Museums

The visitor can admire a number of finds that come from different periods of time, and different parts of

The Historical Museum with its various collections offers to the visitor a trip through time from the first centuries BC until nowadays, with emphasis on the dramatic history of the city of Heraklion.

In the Museum for the Battle of Crete and National Resistance the visitor can see relics of the glorious,

A Tour of the City

Coming to Heraklion for the first time, the visitor nowadays may be somewhat surprised by the changes

Where, at one time, the number of cars in the city centre would have made walking difficult, you will now

Knossos

The Minoan palace is the main site of interest at Knossos, an important city in antiquity, which was inhabited
